TITHI YOJNA

JVBNA, a **non-profit organization**, was established with the primary objective of spreading the message of Non-violence, Peace and Unity to the world at large. This center is unique as it is blessed with the auspicious presence and continual spiritual guidance of Jain nuns called Samanijis (disciples of Acharya Mahapragyaji). Year round a multitude of activities for the physical, mental and spiritual well-being are conducted for the benefit of all. JVBNA counts on your patronage to foster its mission.

We humbly request your generous contributions in the form of sponsorship of 'Tithis' or 'Days' to celebrate a special day or remember a special person in your life. This could be a:

-**Birth**day or an **anniversary** of yours or of a member of your family

-A day dedicated to the **memory** of someone you love or any other **special occasion**

On this day, you can avail Samanijis' blessings at the JVB center or at your home. You can also take Gochari Labh (the benefit of offering food) to Samanijis.

Donation for one Tithi is \$101. You may have choice for multiple Tithis.

Donation is **tax deductible** under IRS 501© (3) code. Tax exempt ID #22-3687190

Please make the check payable to 'JVBNA'.
